Examiner's Amendment

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. The application has been amended as follows:

In Claim 15:

“improved” (line 1) has been deleted.

In Claim 16:

“improved” (line 1) has been deleted.

In Claim 17:

“improved” (line 1) has been deleted.

3. The following is an examiner's statement of reasons for allowance:

Applicant's arguments on pages 6-9 in the Appeal Brief filed 30 June 2004 has been found persuasive in that the instant application is deemed to be directed to a nonobvious improvement over the invention patented in Pat. No. 4,847,775 and over the invention patented in Pat. No. 4,554,777. The improvement comprises in combination a central computer 18 located away from the working stations of a box folding machine and connected to a central memory and a respective position sensor 17 at each of the working stations for calculating differences between the actual positions determined by the sensors and the respective desired positions held by the central memory, and a

respective local display device 20 at each working station connected to the central computer for displaying the respective difference between the respective actual position and the respective desired position.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Louis K. Huynh whose telephone number is (703) 306-5694. The examiner can normally be reached on M-F from 9:30AM to 5:00PM.

6. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Rinaldi I. Rada can be reached on (703) 308-2187. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

7. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
